# Spring

**S**pring always adds new life and new beauty to Sycamore! It's the perfect time of year to explore all the various parks such as Sycamore Lake Rotary Park or the Sycamore Forest Preserve. With the upward turn in weather, it's a wonderful time to grab some friends or furry companions and enjoy all the outdoor activities that Sycamore has to offer.

Kick off the season of spring with Sycamore's annual Taste of Spring event. This event brings people from miles away right to the heart of our downtown. Get a group of friends, invite your sister, or make it a date night.

Taste of Spring is the perfect mix of wine, food, and shopping!

As temperatures warm and flowers bloom, step into Sycamore and discover all that it has to offer.

# Summer

When each day calls for sunny skies and 80 degrees in Sycamore, there is no better time to discover all it has to offer.

Enjoy an entire weekend near the end of July for the Turning Back Time Car Show! Cruise Night on Saturday evening features over 300 hot rods, a beer garden, and a live band. The crowd-pleasing car show is all day Sunday with thousands of entries on display, lots of fantastic food, and the warm sunshine!

Come back at the end of August for our annual Ribs, Rhythm and Brews Fest. Try ribs from vendors all over Northern Illinois and stay for the beer garden, two bands, and a DJ! It's a great way to spend of the last weekend of Summer!

Needing a break from the summer heat? Be sure to stop by one of Sycamore's many ice cream, slushie, or smoothie places! Or enjoy dining al fresco at one of our many outdoor dining restaurants and eateries. There's always a little something for everyone during Summer right here in Sycamore.

# Fall

**Y**ou are bound to fall in love with Sycamore during this time of year.

Historic Somonauk Street lights up with orange and red leaves, and downtown Sycamore shops fill their windows with warm and inviting merchandise.

Be sure to stay the whole weekend during Sycamore's Pumpkin Fest! This city-wide event showcases delicious food, three indoor art and craft shows, a historic house walk, two carnivals, the 10K Pumpkin Run, and a family-fun parade.

Discover Sycamore during this prominent time of year. It will truly make you fall in love with Sycamore.

# Winter

Sycamore is full of holiday magic this time of year. Start your holiday season off with Sycamore's Moonlight Magic event where downtown businesses fill their windows with lively performances. This includes local dance groups, theatrics, and artists!

Bring you sweetheart and your sweet tooth to Sycamore in early December for our annual Winter Chocolate Walk event. Delectable chocolate is featured at every stop, and shopping is a must.

From sledding to Santa visits to historic house walks, Winter in Sycamore offers many different activities for you and your family.

# OAK CREST

DeKalb Area Retirement Center

[www.oakcrestdekalb.org](http://www.oakcrestdekalb.org)

*"It's not a pure science"*

Making the decision to leave your home and move to a retirement community can be a pretty daunting experience. With so many choices, a variety of options, pricing and terminology to wade through, it's no wonder some people find the whole process overwhelming. As a scientist, I approached the retirement decision like I do many things. I collected all the data, examined the information, reviewed the financial requirements and surveyed many friends. I love to travel, and had been going on tours with people from Oak Crest for years. In all that time, I had never heard even one negative comment. I then took the first step and made an appointment to meet with the staff at Oak Crest. What I found only confirmed my earlier research and impressions. Oak Crest met all my requirements with wonderful surroundings, a solid financial background, a guarantee of life care and security and affordability. And, as I anticipated, from the minute I walked in I found a home that is warm and welcoming, supportive and caring and embraces my individuality and independence. Besides, I had many of my travel friends, nearby. When you get right down to it there's more to retirement than facts and figures. To truly appreciate all that life at Oak Crest has to offer, you have to experience it firsthand.
